

SUMMARY OF LRED SERVICE FEES AND LABOR CHARGES

SERVICE FEE / LABOR CHARGE	AMOUNT	DESCRIPTION
Late Charge	1.5%	Apply per month on all past-due balances
Return Check Charge	\$ 20.00	For each occurrence on all returned checks
New Account / Name Change On Existing Account (Meter In Place)	\$ 25.00	Meter loop and meter must already be installed at this location to use this fee
New Account At Previous Location (Meter Not In Place But Existing Meter Loop)	\$ 150.00	Meter loop is there but meter has been removed and new meter must be installed
New Service Fee	\$ 1,000.00	Whenever an enclosure, meter loop and a meter must be installed to establish service. This can be either a brand new service or a location where the service was previously retired (meter loop was removed and the line capped)
Temporary Disconnect Charge	\$ -	There is no service fee for our crews to disconnect a service. There is a reconnect fee when the service is turned back on. Minimum monthly bill charges are back billed if service is reconnected within 12 months.
48-Hour Cut-Off Notice Collection Fee	\$ 10.00	This is levied even if the customer pays their bill within the 48 hour window
Disconnect For Delinquent Bill	\$ 25.00	This is the charge for the crew to go and turn meter valve off and lock it when customer is cut-off for non-payment
Reconnect During Business Hours (Mon - Sun 8am - 4:30pm)	\$ 30.00	This is for a reconnect after the service has been disconnected. LRED has crews that work regular hours every day of the week, including holidays
Reconnect After Hours (Mon - Sun 4:31pm - 7:59am)	\$ 60.00	
Tampering Fee	\$ 250.00	This is levied if the customer has KNOWINGLY damaged a meter enclosure, meter, loop or any equipment associated with a loop such as a lock. This is NOT to be levied for a customer using LRED's shutoff valve.
Repair Charge**	\$ 150.00	For repairing or replacing a meter enclosure, loop or meter that the customer has ACCIDENTALLY damaged.
Install Customer Shutoff Valve**	\$ 150.00	For Installing an enclosure and shutoff valve on the customers side of the meter ONLY if we are ALREADY installing or replacing a meter enclosure or loop at the customer's service.

****This is not a fee, but is a labor and material estimated cost**
